To whom it may concern

RE: KZN006 – To establish a contract for the civil works, upgrade at Klipspruit substation in the Newcastle area of the KZN Operating Unit with companies with B-BBEE level 1-4 status level of contributor

The following changes have been made to the tender enquiry KZN006:

On page 10 of 47 under Prequalification- on the **Invitation to tender**

1. Should read Tenderers are to provide a valid copy of a sworn affidavit or a valid **CERTIFIED** copy of a B-BBEE certificate confirming their B-BBEE level 1-4 status
2. On the BOQ -Bill number 3 -Bulk earthwork -item 5-The G8 Material was removed and replaced with G7 material
3. On the BOQ- Bill number 5- Earth mat has been added
4. The threshold that must be met for technical requirement has been changed from 80% to 75%. **All the tenders that fail to achieve the minimum qualifying score of 75% on functionality will be disqualified and shall not be considered for further evaluation on Price and B-BBEE**

The revised Invitation to Tender and excel version of the BOQ has been uploaded onto the Eskom Tender Bulletin and National Treasury E-Tender Portal.

It should be noted that the final day for all queries and clarification for this tender will be **05 April 2022. The closing date of the enquiry is 11 April 2022 @10h00.**

No late tenders will be accepted!

Thandi Xaba
Acting Procurement Manager (KZN 4564)
