

QUESTIONS & ANSWERS

Supply and Delivery of Centrifugal Pumps Spares at Kusile Power Station on as and When Required Basis for a Period of 60 Months
MPKUS10211GX

QUESTION	ESKOM RESPONSE
Request for Data sheets and drawing – Existing Pumps?	Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.
Will Eskom accept replacement pumps (Alternative manufacturers)?	No alternatives will be accepted, Suppliers are must tender on items stipulated, as we will be replacing like for like. Any changes will require us to follow an Engineering Change Process.
Can you please assist with end-user detail?	No, all communication should be done via Eskom Tender Representative as indicated in the tender document
Can you please assist us with the info. See list attached on what we must quote, see below the numbers on the list that we please need more info on: Number on the list: 1 – Need to know type of packing and do they want 125m? 5 – 0620323 6 – 0620351 7 – 0620430 8 - 0620431 11 – 0623392 14 – 0623396 16 – 0623400 17 – 0623401 22 – 0623409 25 – 0633904 26 – 0633905 36 – 0646956 37 – 0647316 38 – 0647317 39 – 0647318 41 – 0647320 46 – 0659840 47 – 0659841 51- 0667139 52 – 0669936 53- 0673825 54 – 0673826 55 – 0676398 58 – 0690213	Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.
I am kindly requesting serial numbers for the above mentioned Tender Number. We need to know what sealing arrangements are on the current pumps.	Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.
I kindly request part number for all the pumps so that I can get an accurate prices for that	Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.
Who we shall contact if we require more details of pumps such as name plate details, application, serial number of pump etc.	Contact Eskom Tender Representative - Ndumiso Mncube on 013 699 7379 / MncubeNS@eskom.co.za
Since we are OEM is it ok to submit offer on pumps which we manufacture, other make or manufacture will be no offer, will this be acceptable.	No alternatives will be accepted, Suppliers are must tender on items stipulated, as we will be replacing like for like. Any changes will require us to follow an Engineering Change Process.
It is compulsory to quote on all items or not	No it is not compulsory, suppliers may quote on whole or part
Skill development- do we need to train Eskom candidates or any candidates who are out of N3 entry level	Suppliers are encouraged to train Kusile Power Station surrounding candidates. The succesful supplier/s will be assisted in finding the candidates
Can you please send us the drawings for the parts on this tender MPKUS10211GX	Unfortunately, the drawings are not available however the information provided should be sufficient for Suppliers to submit a valid tender.
We request for tender closing date to extended from 25 May 2022 to 15 June 2022	Request for extension is rejected. There is no justification that warrants the extension request.
We would like to request an appointment to visit the plant and get more details	These item required are all over the plant the visit will take months to achieve and will delay the execution of this tender and leading to further plant unreliabilities.

<p>We request please to share a datasheet for material number for the below list.</p> <p>1) 0620431 - Item No 8 2) 0634750 - Item No 27 3) 0636387 - Item No 35 4) 0637610 - Item No 36 5) 0646956 - Item No 37 6) 0654358 - Item No 43 7) 0662122 - Item No 50 8) 0667139 - Item No 51 9) 0669936 - Item No 52 10) 0679658 - Item No 56</p> <p>If the datasheet is not available, please give us a date to visit the plant to get more information.</p>	<p>Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.</p>
<p>Please inform us your required Capacity, Pressure, Liquid Viscosity and Temperature, part number or shaft sizes body type for these spares</p>	<p>Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.</p>
<p>Kindly assist with the serial numbers for the following items in the bill: 1 to 13 ; 15 ; 18 to 21 ; 23 to 41 ; 47 to 48 ; 51 to 52 ; 55 to 58. The serial numbers would help us to be sure that we pricing for the correct things.</p>	<p>Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.</p>
<p>The pump specifications provided in the scope of work do not have serial numbers which become a challenge to quote accordingly. Therefore, we request Eskom provide us with the S/N of all the pumps and, we humbly request that Eskom extend the closing date by at least two weeks to the 08th of June 2022, so that there is enough time to compile our submission.</p>	<p>Unfortunately, the additional information required is not available however the information provided should be sufficient for Suppliers to submit a valid tender.</p>
