Amendment 1

Closing deadline extension

Please be informed that the closing date for tender no MWP1334TX for the repair of the cooling system and UPS at the NMC Data Center, has been extended.

The new closing date is 22 June 2022

Tenderers whose tenders were submitted and received by Eskom before the extension was granted must be informed that they may leave the tender submission as valid, withdraw the tender submission (by sending a withdrawal notice) or they may send in an amended tender submission (marking the envelope "Amended Tender").

Best Regards
