			13 – 24 months experience	0,8					
			Above 24 months experience	1					
	TOTAL	100%							

Threshold

The threshold on the technical evaluation criteria is 80%. Suppliers / Service providers would be deemed unacceptable if they score less than the threshold score and will thus not be evaluated further.

The *Employer* reserves a right to re-interview/re-assess employees whenever a need arises.

Should an employee be found not to be performing according to expectations, the *Employer* may request the employee to be removed from site and be replaced by a suitable candidate.
