**TECHNICAL CLARIFICATION – Amendment to technical requirements**

Dear Sir/Madam

**Kindly take note of the following additional requirements with regards to the Invitation to Tender: Manufacture and supply of a 500kVA 11kV mini-substations for the Gauteng Distribution Cluster:**

1. Item out on tender:

Item	SAP	Description
1.	0182408	M/SUB 500kVA 11kV/420V B CB INLD D8050

2. Factory and sample evaluations will not be performed on tenderers that were evaluated within the last 7 years and were found successful
3. If a tenderer whose factory and product sample will be evaluated, a duration of 1 month will be given for sample preparation and the evaluation will then be performed

Kind regards

Sandisiwe Mtshaulana  
SI Gauteng
