1. Statement of intent

This is a request for information (RFI) only and does not constitute a commitment, implied or otherwise, that Eskom will take procurement action. Further, Eskom will not be responsible for any cost incurred in furnishing this information.

A clarification meeting will be held with all interested organization to allow Eskom personnel to clarify the requirements set out below.

2. Background

Eskom Limlanga Cluster-Limpopo is facing serious theft, violent crime and vandalism challenges, the increasing security threat to Eskom operations employees and attacks on security guards by armed criminals who overpowers them, steal and causing damages to Eskom infrastructure, has prompted the Operating unit to invest in security enhancement project.

Eskom Limlanga Cluster-Limpopo is seeking to invest in best security technologies to combat, track, monitor and prevent the surge of violent crime, theft, vandalism. Eskom's requirements/specifications ensure that the minimum requirements stipulated in SANS 2220 are complied with and interested to identify potential suppliers/manufactures who can meet these requirements.

3. Normative references
