Clarification Questions (MPGRO10281GX)

1. We want to request a site walkdown to familiarise ourselves with the plant specified in the scope of work and will also like to view the area where we will site establishment. Is it possible for Eskom to arrange a site walk down at your earliest convenience?

Tuesday 28 June 2022 will do at 12:00.

Supplier must be on site at by 11:00
