Q.2 We are having trouble to register for tender number MWP1399TX, for e-auction

Answer –

Please note that you will only be able to register once you are invited for the auction, this would be after commercial and technical has been evaluated and you are qualify.

At tender stage, you only need to do self-training via the e-auction guide and e-auction video and send the A1 acknowledgement form as a mandatory returnable, with your tender.
