RE: INVITATION TO TENDER MPCAM10090GX

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited has cancelled the tender Design of New Chlorine Dosing Systems and Plant Safety Upgrade Project for a period of 36 months at Camden Power Station due to the following reason/s:

- Tenderers who responded are not technically suitable.

The enquiry has been cancelled without any award as none of the tenderers met the employer's requirements.

Eskom's intention is to re-issue the enquiry in due course on the tender publication websites.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
