TENDER NUMBER: MPKUS10353GX

QUESTIONS AND ANSWERS

DATE: 2022-08-11

QUESTIONS	ANSWERS
Can we please have a site visit to the Plant?	The request for site visit is rejected, The clarification meeting held and Eskom's requirements as stipulated in the Tender Pack is sufficient for suppliers to submit a comprehensive proposal
Why is Site establishment not included as part of the price list? Will Eskom provide all the necessities for site establishment?	Revised NEC & Price List which includes site establishment and site de-establishment has been published on both Eskom Tender Bulletin & National Treasury eTender Portal
On SD&L how do we get suppliers to use for subcontracting within the Power Station area	During negotiations with the recommended suppliers, list of local suppliers can be made available by Eskom
Is Eskom brand specific or any brand is acceptable	Eskom is not brand specific, the required item should align with the defined specification
On the pricelist what is the difference between Assistant & Technician, how should we quote	The Technician is higher than the Assistant , Eskom will not dictate to suppliers how to quote. Eskom can only specify their roles and responsibilities and level of competencies required
Is the scope for the whole Plant or specific areas	The scope is for the whole Plant (Kusile Power Station)
Minutes of site meeting	Questions and Answers as published
