

CONFIRMATION OF REVERSE E-AUCTIONING TRAINING:

E-auction training conducted by:

Name: _____

Company:

Date: _____

Training Notes:

- 1) "Tender Proposals Newspaper Article Pretoria News 2020 08 30" contains useful guidelines on tendering to Government Entities. . Not part of the enquiry.
- 2) Eskom reserves the right to negotiate price after reverse e-auction in addition to contract conditions.
- 3) If only one supplier meets the Functional Threshold, Eskom will seek internal permission to enter into negotiations directly with that supplier. The reverse e-auction will thus be cancelled.
- 4) Supplier on-board training will be self-study. Please read the e-auction user guide for prospective bidders provided with the tender and watch the training videos at <https://www.youtube.com/watch?v=2OzleM6x-fs>
- 5) **Please provide the completed document with tender submission**
