**RE: INVITATION TO TENDER MWP1218DX**

**Dear Sir/Madam**

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the supply and delivery of ready mix for the following strengths: 10, 15, 20, 25, 30, 35 & 40 MPAs and yard stone between 26mm and 37mm required within Limlanga Cluster Mpumalanga Zones Emalahleni, Ermelo, Mbombela and Limpopo Zones Polokwane, Lephalale, Groblersdal, Tzaneen and Thohoyandou on an “as and when” required basis due to the following reason/s:

- No tenderer passed the Functional requirement for Technical Evaluations.
- The re-issue tender with the following changes will be advertised in due course.
- A non-compulsory MS Teams site meeting will be held with representatives of the Employer to discuss the tender requirements and answer any questions from the interested tenderers.
- This meeting will also give general feedback on common mistakes that the tenderers made in the first tender document submissions.

The tender will be re-issued and advertised on the Eskom Tender Bulletin and the National Treasury e-Tender bulletin.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
