Could you kindly clarify the following Under Price List for Emalahleni

1. On page 20- There is Total cost Overheads (This seems a bit confusing as it has a reliever rate on item 8 and Admin Costs underneath and then cleaning equipment) – **Please ignore the total cost and work on the line-item rates i.e. line 8, line 9 and line 10**
2. On page 21 there is a list of Equipment and we don't know if it requires to be priced as there is no space allocated for the rates – **Noted, we will correct accordingly and insert correct template and resend.**
3. On page 25 There is need to populate equipment amount and it's indicated as Appendix B whereas there is no Appendix B on the price list – **Please look at price list for equipment under extended Appendix A (Page 21 to page 22)**
4. On page 26 there is a list again for consumables and High-level cleaning that makes everything confusing as it has been asked for on page 22 and 23 – **Please only use page 26 for pricing purposes**
