- Could you kindly assist us on the below in regards to the above mentioned tender.

### 1) Deep cleaning of Bathrooms and Kitchens

- Is there information available on the m2 of the Bathrooms and Kitchens – The list of buildings in the tender with m2 looks like total m2 of each building – **Deep cleaning of toilets, basins and urinals. NO square meters required. We just need rates to indicate to deep clean toilets, basins and urinals. Suppliers are welcome to visit and assess the ablution facilities.**
- Is there a list of how many kitchens and bathrooms there are – with quantity of toilets and urinals? – **Suppliers are encouraged to visit and assess the ablution facilities.**
- We will be quoting a Rate per hour on deep cleaning – is this acceptable? – **It is a rate based item i.e. toilets, basins and urinals**

*This applies to both Eskom Park and Emalahleni/Ermelo/Mbombela*

### 2) Pest Control – Eskom Park

Is there information available on the number of bait boxes / areas they are situated – **The successful supplier will be required to make a survey on the number of bait boxes required by offices. For the purpose of this tender, Eskom requires a rate per bait box.**

Thank You.
