QUESTIONS AND ANSWERS FOR CLARIFICATION HELD ON THE 20<sup>TH</sup> OF SEPTEMBER 2022

	QUESTION	Response
1.	What document must be submitted for Shareholdings	CIPC documents or CK Document or share certificates must be submitted. Shareholding organogram and detailed breakdown clearly identifying percentages owned by individual shareholders (full names & ID numbers) and other entities (provide full legal/trading name and respective identifying registration/trust numbers) must also be submitted.
2.	With reference to page 15 of 51 of the invitation to tender for SDL&I undertaking, are we bidding for Internship for Artisan as well as bursary as per the target stated under skill development? Kindly clarify	`No, you are not bidding for them because the numbers that we have indicated under skill development are not part of you staff establishment as your company will be bring their own staff establishment. Your company will have to propose the number of students your company will take for internship or how many bursaries can your company offer because this will form part of skill development within the Northern cape through this project
3.	Are we allowed to provide proposal based on the analysis of skill needed within Northern Cape instead of target stated under skill development for SDL&I	We will amend the SDL&I undertaking, we will leave space for proposal because the current advertised SDL&I does not cater for proposal from the contractor
4.	With regards to technical, what is target number of learners are expecting	Because it a rate-based contract and we cannot provide quantities upfront.
5.	With regards to NEC under pricing data, are we bidding for P1 training as well as for Full Electrical Trade for 2 people? Is it going to be 2 people for Institutionalize training and another 2 for P1 training	We are not bidding for pupil technicians only but for full apprenticeship training as well
