

TENDER NO. MWP1510PS

Provision of Professional Services for Space Planning and Interior Design Consultants

Detail technical evaluation criteria:

	Factor	Weight	Sub-factor	Score
1	Experience: Number of years whereby the company was doing similar projects (for corporate customers only) <ul style="list-style-type: none">- Company profile to be included in the proposal- Years of experience should correspond with projects referred to in the proposal	30%	<3 years	50%
			>3 – 5 years	75%
			> 5 years	100%
2	Evidence of relevant experience in carrying out similar projects: <ul style="list-style-type: none">- References feedback/ reports from customers on similar projects (for corporate customers only) to be included in the proposal.- Contact numbers of at least 3 references should also be provided to enable verification	20%	Negative feedback (on all references)	0%
			Positive feedback (on all references)	100%
3	Capability of resources included in the proposal: <ul style="list-style-type: none">- Resources' CVs (providing evidence of relevant experience) to be included in the proposal- Resources years of relevant experience to be considered for evaluation	50%	<3 years	50%
			>3 – 5 years	75%
			>5 years	100%

The threshold on the technical evaluation criteria is 70% overall (inclusive of minimum of 70% of security clearance achievable score). Tenders would be deemed technically unacceptable if they score less and will thus not be evaluated any further.
