Oil Spill Kits			
290	Oil Spill replacement kit 240l complete inclusive of: spark proof brooms,spark proof shovel, 1x pair of PVC gloves, Dust Masks, Safety Goggles (chemical and fire proof), Liquid Chemical Product 25l and absorbent material	2m each	R945,49
Items below may be purchased separately as required:			
291	2m spark proof brooms	each	R155,00
292	Spark proof Shovel	each	R249,00
293	1x pair of PVC gloves	each	R49,90
294	Dust Masks	each	R94,90
295	Safety Goggles (chemical and fire proof)	each	R62,67
296	Liquid Chemical Product 25 L	litre	R302,72
297	Absorbent material	kg	R31,30

CPA Price escalation on anniversary date of the contract:

Rates will be fixed for the first 12 months of the contract. Thereafter it will be applicable to that specific year's CPI.

Transport cost will escalate with the SEIFSA table L1-A for transportation. Base date the start date of the contract.

Important Note:

Transport cost can only be claimed from the Limlanga Zones closest to site where the oil spillage occurred.

In the case that a service provider **is not from the Limlanga Region** and does not have an office local to site office within the Limlanga Zones then transport cost from their premises may not be claimed!
