### **WCKBG2109GG – The Provision of Supplemental Skills Categories at Koeberg Nuclear Power Station in Support of Long Term Operation (LTO) Initiatives and Outages On An “As And When Required” Basis**

No.	Document	Question	Eskom Response
1	TSC3	Are we allowed to tender just for 1 item/skill category in a specialized category?	Yes, but tenderers are encouraged to not only tender for 1 category.
2	TSC3	How many contracts will be awarded per skill category?	The objective is 2 per category.
3	TSC3	If there are say 3 suppliers per skill category, will Eskom again pre-allocate for that skill category 60%/30%/10% of the total budget to respectively the lowest/ 2 <sup>nd</sup> lowest/ 3 <sup>rd</sup> lowest bidder, as was done with tender KBG1838 in 2019?	Budget allocation will be informed by prices and the need. The objective is to allocate as close as possible amounts necessary for the full period.
4	ITT	What entails exactly the completed NEC/FIDIC pricing schedule and contract data?	Please clarify the question?
5	TSC3	Where do we find the technical requirements of a certain skill category?	Allan to respond
6	ITT	Is 30% subcontracting mandatory?	SDL&I to advise

7	ITT	Is a performance Bond required and if so, what must be its content?	This will only be known post evaluations.
8	Functional Evaluation	<p>The POPI Act stipulates that no personal information can be shared without the prior consent of the individual.</p> <p>The database of the company's skilled resources that the tenderer must submit, can it include names of individuals for which the tenderer hasn't received the cv, as these cv's will only be required at a later stage during the Task Order process?</p>	Yes. Please however refrain from including names of individuals whom have not expressed an interest to be represented by yourselves.
9	TSC3	In the skill category 1b of Table 4, how many years of experience is required	Allan to respond
