In partnership with

- The Pricing Schedule must be completed within the NEC document.
- Suppliers may also submit an Excel version of the pricing schedule.
- It is preferred that the Excel version be submitted at tender closing to fast-track evaluations.

Clarification Period Summary

Allows tenderers to ask questions about the tender before submission.

Deadline: All queries must be submitted at least **5 working** days before the closing date.

For Tender **E1979GXPOU**, this is by **4 November 2025**.

Submission: Questions must be sent in writing to the Buyer:

Kim Hughes – Hughesk@eskom.co.za

Responses:

- Eskom will compile and respond via a clarification template.
- Answers will be uploaded to the Eskom Tender Bulletin and eTendering portal.

Reminder:

- No queries will be accepted after the deadline.
- Tenderers must check the portal regularly for updates or addenda.
