RE: INVITATION TO TENDER (MWP1469TX)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the provision of data collection & analysis of external and Transmission Power Line construction costs to establish a benchmark against the External Market due to the following reason/s:

- The perceived conflict of interest was identified with the tenderer and also the issue of competitive price sharing further made it unacceptable.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
