required to sign subcontracting agreement or intent. In this case, the subcontracting agreement to integrate must be signed by both the tenderer and the subcontractor. It must be signed by both the tenderer and the subcontractor that is earmarked on this case, and therefore it should be supported or accompanied by the subcontractor company registration document at the subcontractor company registration document :

CK, CSD and the certified valid affidavit of the subcontract. We need those document in order for us to verify that the company that you are subcontracting, does meet our requirement.

It is certain that entities for subcontracting are EME or QSE, which is at least 51% owned by black people. So we want the CK, CSD and sworn Affidavit for us to verify. Moreover, what we want on the CK for us.

We will verify if it is not one of your own company that you have set aside for subcontracting.

It is not your own entity, or rather you have just changed the ownership for the purpose of this tender. We will also verify if it doesn't belong to a family member..

CSD you know that we cannot do business in South Africa if ever you are not there CSD compliant company.

If you are subcontracting a black company owned by a person with disability, they have to provide us with the medical certificate, copy of the ID of that particular person.

We are going to use the 90/10 preference points.

whereby the 90 points it will be on price, then the 10 points will be on B-BBEE

We can ask you to break down the shareholding in terms of military veteran, black unemployed, youth, black people living with disability or black people living in rural areas. If you ever do have such people in your organization, please break down the shareholding in that manner.

Signature dates on the Affidavit should be the same, by yourself and by the Commissioner of oath.

Skill Development

Then the last part is on the skills development. It being the case, you know it's a government initiative that where the transaction or the project is taking place, the people around that area needs to benefit out of that

Eskom target for skill development

2 x Mechanical Fitter and 2 x artisans

Entry N2 / Grade 12 or equivalent, tenderers to indicate their proposal on tender submission
