RE: INVITATION TO TENDER (MPCAM10400GX)

Dear Sir / Madam

Kindly refer to the above subject.

After careful consideration, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **the provision of cabling and electrical fence maintenance on as and when required basis for the period of 48 months at Camden Power Station** due to the following reason/s:

- It was discovered that there was a material irregularity (such as non-compliance with CIDB Regulation) which necessitated the enquiry to be updated and a revised enquiry to be re-issued to the market.

Note:

Please be on the lookout on the Eskom's Tender Bulletin, CIDB's i-Tender Portal and National Treasury's e-Tender Portal for a new enquiry/tender that will be issued to the market.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
