

OSM Maintenance evaluation - Evaluation matrix							
	CRITERIA	Sub-Criteria	POINTS RANGE	EVALUATION RANGE	EVALUATION RANGE - POINTS	SCORE	
1	Solid historical performance record on portable line boring equipment manitenance and repair	Signed invoices or completion certificates	3	1 TO 3	1 → 0 Units completed 2 → 1 ≤ 10 Units completed 3 → > 10 completed	1 = 0 points 2 = 10 points 3 = 20 points	
2	Solid historical performance record on manitenance and repair of CNC equipments	Signed invoices or completion certificates	3	1 TO 3	1 → 0 Units completed 2 → 1 ≤ 10 Units completed 3 → > 10 completed	1 = 0 points 2 = 10 points 3 = 20 points	
3	Solid historical performance record on Pneumatic and hydraulic equipment	Signed invoices or completion certificates	2	1 TO 3	1 → 0 -10 Units completed 2 → > 10 completed	1 = 0 points 2 = 20 points	
4	Solid historical performance record on electrical and portable equipment	Signed invoices or completion certificates	2	1 TO 3	1 → 0 -10 Units completed 2 → > 10 completed	1 = 0 points 2 = 20 points	
5	Solid historical performance record on electrical and portable equipment	Signed invoices or completion certificates	2	1 TO 2	1 → 0 -10 Units completed 2 → > 10 completed	1 = 0 points 2 = 20 points	
TOTAL						100 points	
Minimum qualifying threshold (70% of max possible score)
