

Obsolete Stock Verification FY 2024/2025

During Financial Year 2024 /2025 the attached list of material was reviewed to verify whether these materials are obsolete or not. The list of potentially obsolete Material was verified by the following End Users / Engineers

- 1 Auxiliary Engineering
2. Boiler Engineering
- 3 C&I Engineering
- 4 Turbine Engineering
- 5 Electrical Engineering

The following materials from the list were identified as Obsolete
