5.	22/07/2025	BOQ	Can we offer our standard 15 cal Conti suits with pockets?	No. Arc flash PPE should not have pockets.
			51cal ARC flash suits instead of 68 cal. Both fall in cat 4.	No. We must have 68Cal.
			Our standard fully EN certified Bunker suits. Navy in colour.	No Bunker suits the contract. Refer to the line number in question.
			Grey socks which are flame resistant.	No, comply to the specification provided.
6.	23/07/2025	N/A	Under the technical evaluation, the first point states that we need to show capacity and number of years. Please kindly clarify what documents are required to showcase the capacity as stated.	How many years have they been in the PPE supply Industry. State PPE quantities that they have supplied to various purchasers of PPE.
