5.	22/07/2025	BOQ	Can we offer our standard 15 cal Conti suits with pockets?	No. Arc flash PPE should not have pockets.
			51cal ARC flash suits instead of 68 cal. Both fall in cat 4.	No. We must have 68Cal.
			Our standard fully EN certified Bunker suits. Navy in colour.	No Bunker suits the contract. Refer to the line number in question.
			Grey socks which are flame resistant.	No, comply to the specification provided.
6.	23/07/2025	N/A	Under the technical evaluation, the first point states that we need to show capacity and number of years. Please kindly clarify what documents are required to showcase the capacity as stated.	How many years have they been in the PPE supply Industry. State PPE quantities that they have supplied to various purchasers of PPE.
7.	17/07/2025	NEC3	Vat – Should pricing be submitted on price schedule including or excluding VAT?	All prices must exclude VAT, the VAT inclusive price/ quote will be used by Eskom during evaluations.
		URS	2. Attachment not opening - Appendix F page 1 <ul style="list-style-type: none"> <li>Point 2. Description of the service is reflecting an excel document, but I am not able to open.</li> <li>Is this Appendix A - Detailed Specification Koeberg PS PPE- Final, if not please can we be sent a copy.</li> </ul>	Yes, it is Appendix A (EXCEL).
8.	31/07/2025	URS/NEC3	There seems to be a discrepancy with regards to price adjustment for inflation. Page 33 of Invitation to Tender proposes a 15% fixed portion not subject to CPA (after the 1st contract anniversary). However, on page 9 and 23 of NEC the fixed portion not subject to CPA is 20%.	Thank you, kindly note that the <b>correct CPA</b> is: The prices of all goods will remain fixed for 12 months for the first 12 months of the contract period, there after 20% of the goods will remain fixed and the remaining 80% will be adjusted in accordance with SEIFSA Table U-A (final manufactured goods in South Africa). The contract price adjustment will apply annually from the contract start date.
			Please clarify how will the adjustment for the remaining years on the CPA will apply (after the 1st contract anniversary).	The CPA will be calculated annually using the above mentioned SEIFSA table: The first CPA claim will start from

			How are we going to submit sample as we tender online	
11.	27/07/2025	N/A	I would like to know if the BILL OF QUANTITIES of the above-mentioned PPE tender are annual for 5 years or they are for the whole 5-year term combined?	The Quantities on the Bill of Materials is an estimation over the 5-year term combined.
12.	01/08/2025	BOQ	Please kindly confirm whether you already have a sample kit. With this information, we can quote more accurately. For item 400, do you already have a sample kit or do you need a kit with the tubes?	No Kit required. Line 400 is the filter as per the attached pictures in zipped folder named: Clarifications - Item No.400 Photos
13.		N/A	We are kindly asking for an extension to the tender closing date. The reason being that a week after the clarification meeting is not ample time to finalise the tender of this magnitude.	Tender closing date extended to 19 August 2025 at 10:00
14.	31/08/2025	N/A	Please confirm if samples are required prior to closing date of the tender? Technical Evaluation makes reference of Samples to be provided to Safety Risk Department.	Please refer answer in question 10 of this clarification list.
15.	04/08/2025	BOQ	For the 13CAL items, should be reflective or non-reflective?	There should be reflective strips on the arms and legs.
16.	07/08/2025	N/A	For the delivery lead time it asks for 2 weeks. Most of the items on the tender are made to order.  Can we please request the lead time to be 4 to 6 weeks as per the industry standard?	The lead-time of 4 weeks will be acceptable for items that are made to order.
17.	<b>IMPORTANT NOTE:</b>	If you have any clarification questions that remain unanswered, we kindly encourage you to send an email to the addresses provided in the ITT. The last day to send clarification questions is 14 August 2025.
