## 1 Background

eTendering system is a web-based system that allows suppliers bidding for various tenders advertised on Tender Bulletin system to “upload” their tender documents. Currently the tenderers or suppliers submit tender documents at various Eskom tender offices. eTendering system replaces the manual or physical submission of tender documents at various Eskom tender offices. eTendering system in a nutshell is an electronic box where tender documents can be “dropped” or “uploaded”. Suppliers will be required to register their details before they can be granted access to the eTendering system. An OTP (one time pin) will be sent to both their cell phone and email address.

**Quick and direct access is also available by using the following links:**

- **TenderBulletin Public website:** <https://tenderbulletin.eskom.co.za> - this is used by members of the public, to view and access Eskom published tenders. eTendering hyperlink will be found on this site. Members of the public may follow prompt instructions once they have clicked on the eTendering link (<https://eTendering.eskom.co.za>). This link will allow them to upload the required tender documentation.
- **eTendering website Public website:** <https://eTendering.eskom.co.za> - this is used by members of the public, to view information about published tenders and submit their tender documents.
- **N.B: Members of the public would need to have a CSD number to gain access to eTendering system.**

## 2 Problems

A channel of communication has been created in case users of the system experiences a problem with the system. In a case users come across some difficulties in using Tender bulletin, eTendering and OpenText systems they need to contact the buyer responsible for the published tender.

## 3 What's New

A new functionality to “add closed tenders”. Closed tenders refers to the tenders which are not listed on Tenderbulletin as normal tenders, but are tenders sent directly to the relevant and potential suppliers who meet the selection and evaluation criteria to offer what the buyer needs. These suppliers will be sent a link via email to bid privately.

## 4 Getting Started

To gain access to eTendering portal

1. Open your web browser
2. Type [TenderBulletin \(eskom.co.za\)](https://tenderbulletin.eskom.co.za) or <https://eTendering.eskom.co.za>
3. eTendering system login page will be displayed:

Fig 1

Thanks for signing up! Before getting started, could you verify your email address by clicking on the link we just emailed to you? If you didn't receive the email, we will gladly send you another.

RESEND VERIFICATION EMAIL

[Log Out](#)

Fig2a.

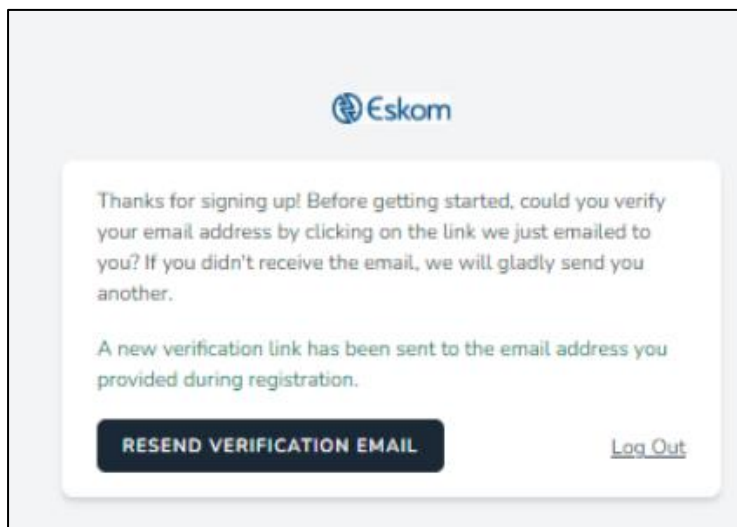

Fig2b.

Fig3.

4. Once the email is verified, login using your registered email address and password then the OTP page will be displayed

The login form features the Eskom logo at the top. It includes input fields for 'Email' and 'Password'. Below the password field is a checkbox labeled 'Remember me'. To the right of the password field is a 'LOG IN' button. Below the 'LOG IN' button is a 'Register' link. To the left of the 'LOG IN' button is a link that says 'Forgot your password?'.

The OTP verification form displays the Eskom logo. It shows a message: 'OTP send to 0827973454 and emailed to monalisatthatlha2@gmail.com'. Below this is a label 'One Time Pin (OTP)' and an input field. There are two buttons: 'VERIFY OTP' and 'RESEND OTP'. At the bottom right is a 'Logout' link.

## 5. OTP sent to the registered cellphone number and email address

The email header shows the date 'Tue, 23 Aug 2022, 1:16 pm', the recipient 'To: monalisatthatlha2@gmail.com', and the subject 'Subject: Eskom - E-Tender - OTP'. The main body of the email has a title 'Eskom E-Tender Document Submission 28'. Below the title is a small icon of a document with a red 'X' and the text 'Your OTP for E-Tender login is 9214'. This is followed by 'Thanks, Eskom E-Tender Document Submission 28 Automated Mail'. At the bottom, there is a copyright notice '© 2022 Eskom E-Tender Document Submission 28. All rights reserved.' and a note 'NB: This Email and its contents are subject to the Eskom Holdings SOC Ltd EMAIL LEGAL NOTICE which can be viewed at [http://www.eskom.co.za/Pages/Email\\_Legal\\_Spam\\_Disclaimer.aspx](http://www.eskom.co.za/Pages/Email_Legal_Spam_Disclaimer.aspx)'.

## 6. Insert the otp number then click “Verify OTP” button, to resend OTP click on “Resend OTP” button

The screenshot shows the OTP verification interface. At the top is the Eskom logo. Below it, a message states: "OTP send to 0827973454 and emailed to monalisatthatlha2@gmail.com". A label "One Time Pin (OTP)" is positioned above a text input field. Below the input field are two buttons: "VERIFY OTP" and "RESEND OTP". A "Logout" link is located at the bottom right of the form area.

## 7. Landing page once OTP is verified

The screenshot displays the user's dashboard after successful login. The top navigation bar includes the Eskom logo, "Dashboard" (active), "Tenders", and "Past Submitted Tenders", along with a user profile dropdown for "Monalisa". The main content area is titled "Dashboard" and contains the following elements: a confirmation message "You're logged in!", a instruction to follow a link on the <https://tenderbulletin.eskom.co.za/> site to submit tender documents, the word "OR", and a "Select Ref No:" dropdown menu currently showing "#MPKUS10086PS".

## 8. Select the preferred "Ref No"

This image is a close-up of the "Select Ref No:" dropdown menu from the dashboard. The menu is highlighted with a red rectangular border. It shows the selected reference number as "#MPKUS10086PS" and includes a downward-pointing arrow icon on the right side of the selection box.

## 9. A page with the preferred Tender information is displayed before tender documentation can be submitted.

## 5 Edit Registration

To edit already registered information such as Name, Organization, CSD and cell phone number select “Edit Registration” on the drop down, Fig1. New window with information that needs to be updated pop ups, Fig2. Click on “**Update**” button to update registration details.

Fig1.

The screenshot shows the 'Edit Registration' form. It contains the following fields and elements:

- Name:** A text input field containing 'Monalisa'.
- Organization:** A text input field containing 'Eskom'.
- Csd number:** A text input field containing '00000'.
- Phone No:** A text input field containing '066627087054'.
- Captcha:** A visual captcha showing the letters 'p', 'n', 't', 'g', 'd' in various colors and orientations, with a refresh icon below it.
- UPDATE:** A dark blue button with white text at the bottom of the form.

Fig2.

## 6 Log off Button

To logout, click “Log out” on the dropdown next to your name

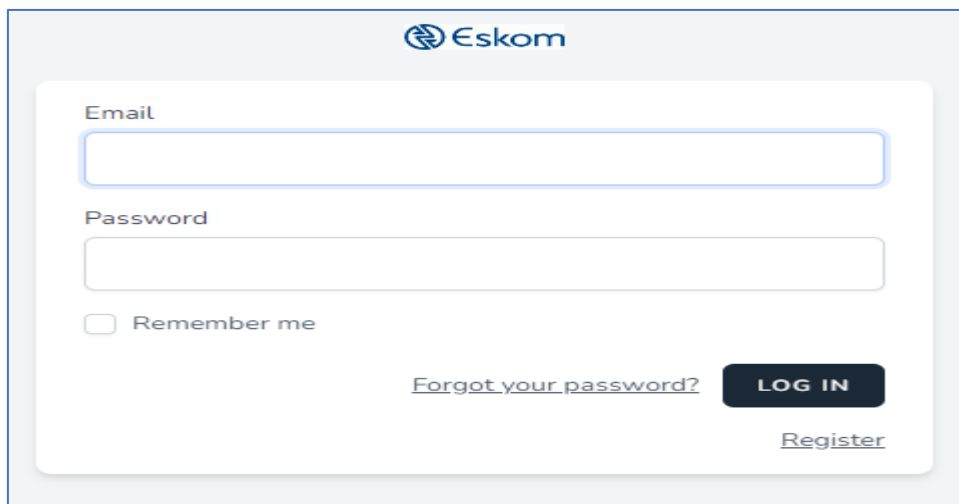

Fig1.

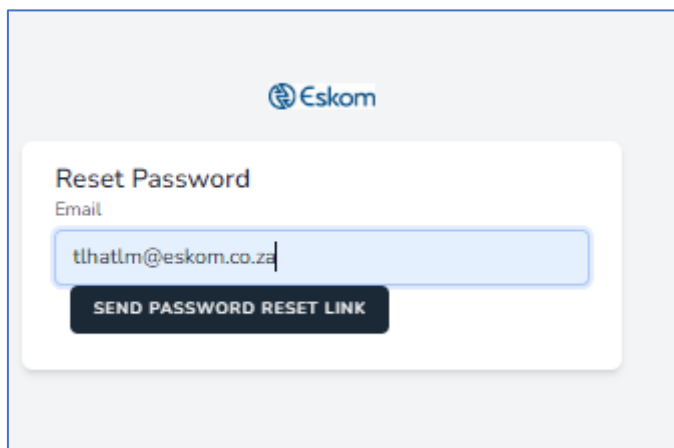

## 7 Password reset

To reset a forgotten password, click **“Forgot your password” Fig1.** and a new screen will pop up to enter an alternative email where the new password will be sent Fig2. Confirmation message will be sent to the user, Fig3.

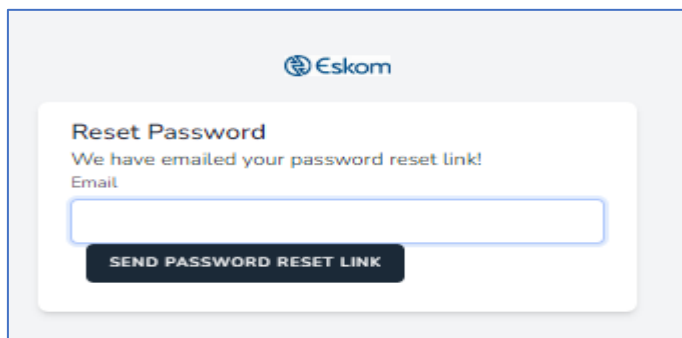

The login screen features the Eskom logo at the top. Below it, there are two input fields: 'Email' and 'Password'. A checkbox labeled 'Remember me' is positioned below the password field. To the right of the input fields, there is a link 'Forgot your password?' and a 'LOG IN' button. At the bottom right, there is a 'Register' link.

Fig1.

The 'Reset Password' screen displays the Eskom logo at the top. Below it, the title 'Reset Password' is followed by the label 'Email'. An input field contains the email address 'tthatlm@eskom.co.za'. Below the input field, there is a 'SEND PASSWORD RESET LINK' button.

Fig2.

The confirmation screen shows the Eskom logo at the top. Below it, the title 'Reset Password' is followed by the message 'We have emailed your password reset link!'. Below this message, there is an input field for the email address and a 'SEND PASSWORD RESET LINK' button.

Fig3.

An email confirming password reset will be sent to the email provided.  
Click on the link or **“Reset Password” button** to reset the password.

Fig4.

A new window will pop up to reset and confirm the new password, Fig5. Enter new password and confirm then click on **“Reset Password” button**.

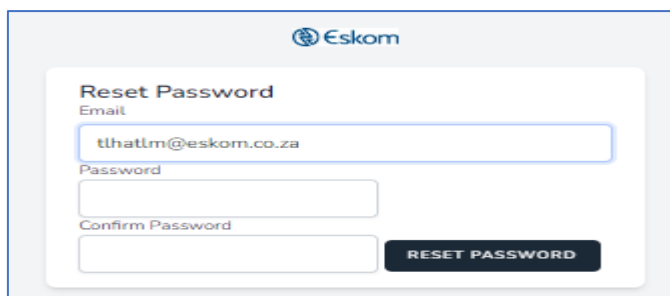

Fig5.

OTP window will pop up, type in the OTP sent to either the cell phone or email address.

Fig6.

OTP successfully goes through and lands on the below screen, password is successfully reset.

The screenshot shows the Eskom eTendering System dashboard. The top navigation bar includes the Eskom logo, the tagline "Powering your world", and links to "Dashboard", "Tenders", and "My Submissions". The user's name "Monalisa" is displayed in the top right corner. The main content area has a brown header with the word "Dashboard". Below this, there is a light blue section with the message "You're logged in!". This is followed by a white section with the instruction: "Please follow the link on the <https://tenderbulletin.eskom.co.za/> site to submit tender documents." Below this is a white section with the text "OR". At the bottom, there is a white section with a label "Select Ref No :" and a dropdown menu showing the value "#MPKUS10086PS".

Fig7.

## 8 General

This system is compatible to most web browsers however we recommend Ms Edge.

**The end.**
