2.3 Validity of BBBEE Certificates/Sworn Affidavits

The following must be considered when it comes to validity of Affidavits;

NOTE1: Tenders shall submit the following Returnable for B-BBEE Category:

- A Certified Copy of a Valid B-BBEE Certificate issued by a SANAS accredited Verification Agency, or
- A Certified Copy of a fully completed Sworn Affidavit for either EME or QSE (See key notes below), or
- A Certified Copy of B-BBEE Certificate issued by CIPC for EMEs' only,

KEY NOTES OF DETERMINING VALIDITY OF B-BBEE SWORN AFFIDAVITS:

Tenderers submitting B-BBEE Sworn Affidavits must ensure that the affidavits meet the following key pointers to ensure their validity:

- a) Name/s of deponent as they appear in the identity document and the identity number.
- b) Designation of the deponent as the director, owner or member must be indicated in order to know that person is duly authorised to depose of an affidavit. (Mark the applicable option).
- c) Name of enterprise as per enterprise registration documents issued by the CIPC, where applicable, and enterprise business address.
- d) Percentage of black ownership, black female ownership and designated group. In the case of specialised enterprises as per Statement 004, the percentage of black beneficiaries must be reflected. (No blank spaces to be left).
- e) Indicate total revenue for the year under review and whether it is based on audited financial statements or management account. (Mark the applicable option).

		Document Identifier	N/A	Rev	N/A
		Effective Date	01 September 2019		
		Review Date	September 2022		

- f) Financial year end as per the enterprise's registration documents, which was used to determine the total revenue. (Financial year end to be stipulated by day/month/year).
- g) B-BBEE Status level. An enterprise can only have one status level. (Tick applicable level)
- h) Empowering supplier status must be indicated. For QSEs, the deponent must select the basis for the empowering supplier status.
- i) Date deponent signed and date of Commissioner of Oath must be the same. (The sworn affidavit must be signed in the presence of the Commissioner of Oath. Furthermore the Commissioner must also sign and stamp)
- j) Commissioner of Oath cannot be an employee or ex officio of the enterprise because, a person cannot by law, commission a sworn affidavit in which they have an interest.

Note 2: Joint Ventures can only submit a Consolidated, Valid and Certified Copy of B-BBEE Certificate issued by a SANAS Accredited Verification Agency specific for this tender.

In addition, the following documents must be submitted (Non Mandatory):

- tenderers shall submit certified copies of CIPC registration documents;
- Certified Identity Document(s) of Company Shareholders or Members;
- Certified copy of Shareholders certificate [for Pty (Ltd) entities].

Section 3: SD&L Undertaking

Tenderers who complete and submit the undertaking as required, but who do not meet Eskom's targets, will not be disqualified. SD&L undertakings do not form part of scoring but commitments will form part of contractual obligations

Enterprise Development

The main contractor will be required to propose development in the following areas;

Job Opportunities

Tenderer to indicate number of Jobs to be created and/or retained from this contract;

Number of Jobs to be created	Number of Jobs to be retained

Local recruitment requirements: (Local to site)

Type of jobs	Target set (local-to-site)	Suppliers Proposal
General workers	100%	
Semi-skilled	70%	
Skilled	30%

Skills Development

The following skills development targets will be a mandatory contractual obligation, apportioned in accordance with the contract value per supplier:

Successful supplier will be obligated submit a proposal to train 1 candidate for every R2 Million Rand cumulated through task order awarded to the supplier; this obligation will be for the duration of the contract. The duration of the task order will not be linked with the supplier's obligation to train; therefore the supplier will have to ensure that the skills committed are successfully achieved by the end of the contract period. Skills candidates shall be sourced from previously disadvantage groups in South Africa. The purpose is to provide these candidates with skills and workplace experience in order to increase the opportunity for them to be employable within the industry. The supplier may develop the candidates directly, through their supply network or through the SETA accredited training providers.

Skills development candidates should be currently unemployed graduates from FET Colleges and universities and/or matriculants. The composition of the candidates shall be representative of the population demographics of South Africa. The supplier will be provided will the list of skills as per respective discipline to choose from, this will mean this supplier will train candidate with skill type that is relevant to their area of expertise.

Graduate or under/ post graduate recruitment.

Skills Type	Outcome	Proposed by tenderer
Civil Engineer /Electrical Engineer/ Artisa	Completion certificate	
Project Management	Completion certificate	
Mechanical Engineer	Completion certificate	
Safety Officer	Completion certificate	
Security	Completion certificate	
Total		

****The above skills development targets shall be applied such that a minimum of 0.25% of the contract value is spent towards the development of the above-mentioned skills throughout the duration of this project.**

Section 4: SDL&I Penalty

Eskom will apply a penalty of 2.5% of the Contract Value for failure to meet SDL&I obligations.

For the duration of the contract, Eskom will retain 2.5% of every invoice (excluding VAT) as security for the fulfilment of all SDL&I Obligations. The retained amounts shall only be released to the Contractor upon fulfilment of all SDL&I obligations at the end of the contract.

Alternatively the Contractor shall submit a bond equivalent to 2.5% of the Contract Value and shall only be released to the Contractor upon fulfilment of all SDL&I Obligations

Section 6: Reporting & Monitoring

The suppliers shall on a monthly basis submit a report to Eskom in accordance with Data Collection Template on their compliance with the SDL&I obligations described above.

Eskom shall review the SDL&I reports submitted by the suppliers within 60 (sixty) days of receipt of the reports and notify the suppliers in writing if their SDL&I obligations have not been met.

Upon notification by Eskom that the suppliers have not met their SDL&I obligations, the suppliers shall be required to implement corrective measures to meet those SDL&I obligations before the commencement of the following report, failing which Retention clauses shall be invoked.

Every contract shall be accompanied by the SDL&I Implementation Schedule which must be completed by the suppliers and returned to SDL&I representative for acceptance 28 days after contract award. This will be used as a reference document for monitoring, measuring and reporting on the supplier's progress in delivering on their stated SDL&I commitments
