	<u>Question</u>	<u>Response</u>
1.	<p>Floor Polishing Machine – <i>Is there a preferred minimum technical specification?</i></p> <p>Wet and Dry Vacuum Cleaner – <i>Is there a preferred minimum technical specification?</i></p> <p>Laundry Weighing Scale – <i>Is there a preferred minimum technical specification?</i></p> <p>Industrial Top Loading Washing Machine – <i>Is there a preferred minimum technical specification?</i></p> <p>Industrial Front Loading Washing Machine – <i>Is there a preferred minimum technical specification?</i></p> <p>Industrial Tumble Dryer - – <i>Is there a preferred minimum technical specification?</i></p> <p>Roller Iron – <i>Is there a preferred minimum technical specification?</i></p> <p>Household Steam Iron – <i>Is there a preferred minimum technical specification?</i></p> <p>Industrial Steam Iron – <i>Is there a preferred minimum technical specification?</i></p> <p>Industrial Steamer – <i>Is there a preferred minimum technical specification?</i></p>	<p>There is no preferred minimum technical specification.</p>
2.	<p>clarity on the technical evaluation criteria, KZN bargaining Counsel is BCCCI but on your document you are asking for NCCA or BECCA, do we disregard BCCCI accreditation?</p>	<p>Submission of a valid BCCCI registration certificate is a mandatory tender returnable. It will form part of the commercial evaluation. If a tenderer does not provide this, they will be deemed non-responsive and will not be evaluated further.</p> <p>Only tenderers who are deemed responsive after the commercial evaluation may qualify for technical evaluation. During the technical evaluation NCCA or BECCA registration will be assessed, and the tenderers will be evaluated accordingly</p>
3.	<p>Page 2 1AN - 1BN : <i>Do you need a monthly rate for continuous supply of the equipment for the duration of the contract (i.e. the rate should cover the supply of equipment and replacement if tear and wear) ?</i></p>	<p><i>Yes. The cleaner must at all times have the equipment available for use. The monthly rate must cover for this</i></p>
4.	<p>Page 4 1BO : Delivery of Cleaning and Hygiene Consumable / Chemicals / Equipment : <i>Do you need a monthly fixed rate or single trip delivery rate ?</i></p>	<p><i>Monthly rate required for delivery of cleaning and hygiene consumable / chemicals / equipment. It shall be the contractor's responsibility for ensuring</i></p>

		<i>that these items are always available on site</i>
