**RE: INVITATION TO TENDER MPHEN10014GX**

**Dear Sir/ Madam**

Kindly refer to the above subject.

- 1) On 23 November 2021 Hendrina Power Station issued out an enquiry **MPHEN10014GX** to the open market for the provision of civil maintenance services for a period of 36 months.
- 2) The tender closed on 25 January 2022 at Eskom tender box in Smuts Avenue in Witbank.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for **the provision of civil maintenance services for a period of 36 months for Hendrina Power Station**. Due to the following reason/s:

- Enquiry has been cancelled without any award as none of the tenderers met employer's requirements.
- Eskom's intention is to re-issue the enquiry in due course on tender publication websites.

Eskom would like to take the opportunity to thank you for participation in the above.

The tender will be advertised with the same scope of work, SHEQ requirements and technical evaluation criteria

Yours Faithfully
