RE: INVITATION TO TENDER (MWP1407TX)

Dear Sir/ Madam

Kindly refer to the above subject.

After careful deliberation, we regret to advise that Eskom Holdings SOC Limited would like to cancel the tender for the provision of Tower Maintenance for the Dundee tower due to the following reason/s:

- After the adjudication process, resolution was that BOQ issued with the tender did not have full quantities as per the business requirement, furthermore even though CIDB was applicable, it was agreed and recorded in the minutes of the clarification meeting that CIDB must change from 2EP or higher to 3SL or higher and unfortunately CIDB system did not allow for capturing 3SL or higher due to original loaded CIDB grading of 2EP or higher already recognized by the system.

Eskom would like to take the opportunity to thank you for participation in the above.

Yours Faithfully
