Allocation of preference points (20/10) on the basis of Section 2(1)(d)(i) –

contracting with persons, or categories of persons, historically disadvantaged by unfair discrimination on the basis of race, gender or disability) as follows:

Classification	90/10	80/20
Black Disabled Female	10	20
Black Women Owned / Black Disabled	8	15
Black Youth Owned	5	10
Black Owned	3	5

Table 1 HDI Classification

Under this approach, HDIs are given a head start over other groups through preference. Also, this

approach seeks to address concerns that have been raised that some HDIs (particularly Black

Males) are prioritised over other HDIs in the allocation of contracts as reflected by the statistics.

Items classified as Implementing Reconstruction and Development Programme (RDP) goals will

continue to be categorised as either objective criteria or contractual conditions (similar to the treatment of SHEQ and financial analysis).
