### **Scope of Work for Credit Reporting Services**

Eskom Rotek Industries requires accredited Credit Bureau to perform business credit reporting services.

- 1.1 Company is required to provide credit reports as and when requested by ERI.
- 1.2 Due to the nature of our business, reports need to be available immediately.
- 1.3 Credit reports also need to be available on an online platform.
- 1.4 These reports need to be downloadable in a pdf format.
- 1.5 The below support services may be required on request:
  - Bank verification services
  - Reference check services

Yours sincerely

Candice Manilal-Ismail  
Accounts Receivable Manager
